

EFE 2022
Energy Fuels Environment
International Conference 20th to 23rd September

MS Content Management Toolkit™ instructions for participants

Introduction

This guide is designed to help participants register for the conference and submit abstracts. The conference management system that is used for the Energy Fuels Environment (EFE) 2022 meeting is the Microsoft Conference Management Toolkit (CMT). More information about the CMT can be found at the link below.

<https://cmt3.research.microsoft.com/About>

Registering or logging in to an existing account.

By clicking on the "Register" button on the main EFE 2022 conference page, you will be directed to an external server site. The login/registration window will open.

- i. If you already have a CMT account, please enter your login details to access the system.
- ii. If you are a new user, scroll to the bottom of the login window and press the "Register" link in the bottom right corner of the window.
- iii. If you have forgotten your password, the lower left-hand corner of the login window includes a password change link. To do so, follow the instructions provided.
